SPACE SOUND EFFECTS SHORT-FILM COMPETITION

Alien may have told you **“In space no one can hear you scream”** But it was wrong
Produce a short film (up to 15 minutes) incorporating actual
sound recorded in space and submit it to our competition.

- Judges from BFI, Directors UK, BBC, YouTube's VSauce
- All subjects and genres accepted.
- £2000 worth of prizes
- Free entry for all ages

Submission Deadline:
3 July 2017

Awards Ceremony:
2 September 2017
